#What happened to your files?

All your files encrypted with RSA-2048 encryption, For more information search in Google 'RSA Encryption'

#How to recover files?

RSA is a asymmetric cryptographic algorithm, You need one key for encryption and one key for decryption
So you need Private key to recover your files.
It's not possible to recover your files without private key

#How to get private key?

You can get your private key in 3 easy step:

Step1: You must send us **0.7 BitCoin** for each affected PC OR **3 BitCoins** to receive ALL Private Keys for ALL affected PC's.

Step2: After you send us **0.7 BitCoin**, Leave a comment on our Site with this detail: Just write Your 'Host name' in your comment

*Your Host name is: **Redacted**

Step3: We will reply to your comment with a decryption software, You should run it on your affected PC and all encrypted files will be recovered

* Our Site Address: <http://jcmi5n4c3mvgtyt5.onion/familiarisingly/>

* Our BitCoin Address: **1MddWhqRCJe825ywjdbjbaQpstWbPKMmFR**

(If you send us **3 BitCoins** For all PC's, Leave a comment on our site with this detail: Just write 'For All Affected PC's' in your comment)

(Also if you want pay for 'all affected PC's' You can pay 1.5 Bitcoins to receive half of keys(randomly) and after you verify it send 2nd half to receive all

How To Access To Our Site

For access to our site you must install Tor browser and enter our site URL in your tor browser.

You can download tor browser from <https://www.torproject.org/download/download.html.en>

For more information please search in Google 'How to access onion sites'

Test Decryption

Check our site, You can upload 2 encrypted files and we will decrypt your files as demo.

If you are worry that you don't get your keys after you paid, You can get one key for free on you choise(except important servers), Tel
Also you can get some single key and if all single BTC taht you paid reached to all keys price you will get all keys
Anyway be sure that you will get all your keys if you paid for them and we don't want damage our reliability
With buying the first key you will find that we are honest.
